

Bylaw No. 6/82

A Bylaw of the Rural Municipality of Leask No. 464 to regulate the collection and disposal of garbage within hamlets and unsubdivided cottage areas in the Rural Municipality of Leask No. 464.

The Council of the Rural Municipality of Leask No. 464 in the Province of Saskatchewan enacts as follows:

1. In this bylaw unless the context otherwise requires:
 - (a) "Garbage" means putrescible animal and vegetable wastes resulting from the handling, preparation, cooking, and consumption of food;
 - (b) "Putrescible" means capable of becoming putrid;
 - (c) "Refuse" means all putrescible and nonputrescible wastes (except human excrement), including garbage, rubbish, street cleanings, dead animals, yard clippings, and market and industrial wastes but does not include liquid waste;
 - (d) "Rubbish" means nonputrescible wastes consisting of both combustible and non-combustible wastes, such as paper, cardboard, abandoned automobiles, tin cans, wood, glass, bedding, crockery, and comparable materials;
 - (e) "Solid Wastes" means refuse and other discarded solid materials, including waste materials resulting from domestic, industrial, commercial or agricultural activities; and
 - (f) "Householder" means the occupant, lessee or tenant or the person otherwise in charge of any dwelling, hotel, restaurant, apartment block, office building, public institution or other premises.
2. Refuse, rubbish and solid wastes as defined in this bylaw, in the hamlets of Pebble Bay, Garand Development (Subdivision on SE-26-48-8 W3), Kilwinning, Martin's Lake Development (SE-30-46-8 W3), and the unsubdivided areas of Emerald Lake (S 1/2-33-48-7 W3) and Lac La Peche (NE-3-46-8 W3) in the Rural Municipality of Leask No. 464 shall be removed to the waste disposal ground designated by the municipality, by:
 - (a) Householders in the said Hamlets; or
 - (b) as otherwise determined by resolution or bylaw of Council.
3. Garbage being accumulated and stored on the premises shall be kept in covered, fly-proof, and watertight containers.
4. The container for the reception of garbage shall be stored in a manner so as not to create a nuisance.
5. Garbage shall be drained of liquid and shall be securely wrapped before it is placed in a container and such a container shall be maintained by the occupant in a serviceable and sanitary condition.
6. Refuse such as loose papers, paper boxes, straw or other packing, shall be kept in containers or securely tied in bundles.
7. If the householder, after receiving notice from the local Board of Health to provide a proper garbage container or to remove accumulation of garbage from the premises neglects to do so, the Council may provide such container or remove garbage at the expense of the householder.
8. Unless otherwise approved by a bylaw passed by the Council, no person shall burn any refuse, household garbage or commercial waste.
9. Where incineration is permitted by bylaw, residues shall be removed to a garbage receptacle not less than once a week by the householder.
10. Every vehicle used for the collection and transportation of garbage and refuse shall be suitably constructed and equipped with adequate covers to prevent loss of any part of the load on route.

11. If any person fails, neglects, or refuses to do anything which he is required to do by this bylaw, the Council may order the person in default to do such thing.

12. Any person found guilty of an infraction of any of the provisions of this bylaw shall be liable to the penalties provided in the General Penalty Bylaw of the municipality.
