Message from School Administration

It's a little early but we would like to wish everyone a Happy New Year and all the best in 2018. 2017 ended with a bit of a twist for us this year with the fire in our Home Ec. Lab. We are grateful that it was contained to that location and that the south wing of the school will be able to be reopened some time into the New Year.

A few highlights for 2017 include: Jr. Girls volleyball placing second at district finals, teachers 12 days of Christmas at the variety night, Christmas Shopping spree, amazing support from the community for the Christmas food hampers and shopping spree donations, two students graduating from culinary boot camp, successful summer program funded by community initiatives fund, outdoor classroom use, business club students met the Prime Minister, and the Tornado Hunters presentation to name a few.

We are looking forward to what 2018 will bring!

Tracy Dolezsar-Glarvin, Principal
Lindsey Bury, Vice-Principal

CHRISTMAS SHOPPING SPREE

We would like to thank everyone who supported our 1st annual LCS Christmas Shopping Spree.

The joy this brought to our students was true Christmas magic! Thanks to SCC members who helped with wrapping presents.
