We Found it and Fixed it!

Maintenance staff was able to locate and repair the water line break located on 1st Ave North between Main and 1st St North. Thank you to everyone who returned their meter reading cards so quickly – we had a great response and this helped us rule out a possible leak within a residence or business. Because the repair necessitated the turning off of water to several homes in the area, those residents were placed on a Precautionary Boil Water Order which was lifted after clear testing results were conducted. Council would like to thank those residents, as well as others impacted by the detour of traffic, for their patience while crews worked on the repair.

ALL TAXES DUE BY DECEMBER 31, 2016

Want an easier way to deal with the tax bill? Once this year's taxes are paid, consider direct debit as a way to pay next year's taxes. It's simple – bring in your banking information (any banking institution), set your monthly payment and, pick your payment date – 15th or 30th of the month. You will benefit from the early paying discounts. Call the office with any questions or to get an estimate of your monthly payment.

NOTICE TO RESIDENTS

As per Saskatchewan Environment Regulations, the Drinking Water Quality and Compliance Annual Notice to Consumers Report for 2015 is now available for viewing in the Village Office and on the Village website.

As per Regulations, the Waterworks Rate Policy 2015 and the Waterworks Capital Investment Strategy 2015 Reports have been completed and are available for viewing in the Village Office and on the Village website.

CEMETERY NEWS

Work has started on the cemetery with removal of covers starting in the northeast corner. The grave cover is being cut away from the "information pillow" portion which remains to mark the grave site. The cover portion is then taken out to the landfill where it will be crushed and used for fill.

Council would like to recognize and thank the labor force provided by Correction's Urban Camp program.

Anyone with questions regarding the work being done or wish to undertake upgrades to their own sites this summer please contact the Village Office.
